

CQE and CMQ/OE ONLINE Primer Classes Brought to you by: ASQ Section 1302

Class dates: August 13 – October 7, 2018
(Registration Deadline: August 5, 2018)

Certified Quality Engineer (CQE)	Instructor: Professor Robert Ludrick
Certified Manager of Quality & Operational Excellence (CMQ/OE)	Instructor: Professor Rick Pennington

See instructors' bio on next page

To earn ASQ certification you must pay and register for and pass a computer-based test offered by ASQ. For testing dates and registration deadlines to take exam, please visit: <https://asq.org/cert/dates>

From the cozy comfort of your home!

Just Imagine: You can do all this..... without leaving town!

- Attend an Online **CQE** or an Online **CMQ/OE** Prep course and prepare for the exam
- No need to travel to another city for multiple weeks
- No need to lose time from work
- No need to lose family time

Here are the ways you can \$Save\$ BIG:

1. Travel expense (flight, drive, gas, depreciation & maintenance)!
2. Lodging and hotel bills
3. Food and incidentals due to travel
4. Tuition and registration: Tuition for this **8-week** online class is only \$400! Compare to nearly \$700+ price tag for the National ASQ prep-course, which is self-study and does not include instructor and group interaction. (*Note: The \$400 tuition does not include Primer and recommended course material. See registration site for details.*)

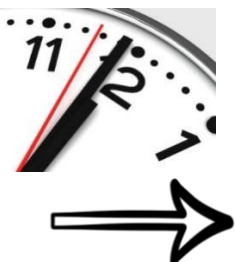

What to Expect

1. Weekly **readings from the primer, handbook, test samples, and articles** pertinent to each exam
2. Weekly **homework modeled after exam** questions.
3. Weekly Discussion Board: **Communicate & interact with your instructor and your classmates**
4. **Videos** that reinforce learning course concepts and the body of knowledge
5. Opportunity to simulate the exam: **A sample version of a mock exam** will be available so you can **practice taking the test under timed setting.**
6. You must **order and pay for the required Primer and other required course resources.** Links and approximate cost are available at the website (shown below) . Allow 5-7 days for delivery.
7. **Recertification Units (RU) = 2.0** upon successful completion of course. Signed certificate will be emailed.
8. **Weekly video chat sessions with instructor: optional video conferencing to ask any questions you may have.**

Don't lose out on this great opportunity!

Register TODAY

Class registration deadline: Sunday, August 5, 2018

Register for class here! <http://www.asq-1302.org/education-and-training/cqe-test-prep/>
Once registered, you will be directed to another page to make a credit-card payment.

Meet Your Course Instructors

Professor Robert Ludrick (CQE)	Professor Rick Pennington (CMQ/OE)
	
<p>Robert Anderson-Ludrick has been an adjunct professor at Bellevue University, in Bellevue, Nebraska where he has taught Statistics, Business Modeling, and Quality Management in the College of Business. He is President of Project Deep, Inc., a non-profit corporation specializing in educating and sponsoring students for experiential internships. Robert is retired from corporate business where he served in numerous management, industrial engineering, quality, and continuous improvement positions over a 45 year career. He is a senior member of ASQ who has participated in ASQ-sponsored workshops to write Black Belt and Master Black Belt Certification Exams. He currently serves as the Chairman of the local 1302 chapter and is a member of the Omaha Lean Consortium. Robert graduated from the United States Military Academy at West Point, served in the US Army, and has a MS in Industrial Engineering from Texas Tech University. Robert holds the following certifications: ASQ Certified MBB, CSSBB, CQE, CMQ/OE, CA, Lean Sensei.</p>	<p>Rick Pennington spent 29 years at Valmont Industries' Irrigation division in Valley, Nebraska. His corporate and manufacturing career included production operations, manufacturing engineering, technical writing, and quality management. He has used his global experience in teaching supply chain and quality management courses at Bellevue University over the past six years, and joined Bellevue University's College of Business full time in July 2017. His enthusiasm for quality management and supply chain was integrated into training classes at Valmont and the online ASQ CMQ/OE exam preparation course developed to prepare students for ASQ certification exams – his success rate has been greater than 88%. Rick is a Senior member of the American Society for Quality (ASQ) and holds CMQ/OE and CQE certifications. He holds a BS in Industrial Technology from the University of Nebraska – Omaha and Lincoln, MBA from Bellevue University (NE), and DBA from Northcentral University (Phoenix, AZ).</p>
